JILLIAN SWITZERLAND'S AWARDED PERFUME COME OUT IS OFFICIALLY BACK IN STOCK!

Jillian Switzerland's Come Out fragrance has been awarded as the best Artistic Collaboration of the Year at L'Officiel Beauty Choice Awards 2023 in Vietnam. Being recognized by L'OFFICIEL – one of the most French prestigious fashion publications is such a big motivation for Jillian Switzerland's creative team and we are more than happy to share this news with you.

Come Out, introduced in 2022, was crafted by Senior Perfumer Pomina Mirella, drawing inspiration from the artwork 'Whoever I am' by renowned contemporary artist Le Kinh Tai. The first 200 bottles of Come Out are unique, with each label bearing a distinct section of the painting, and each detail meticulously finished by the artist himself.

Drawing inspiration from Le Kinh Tai's artwork Whoever I Am, Come Out encapsulates the deep and intense emotions of self-discovery. This second limited edition release features 500 individually numbered pieces (1-500), adorned with a fragment of the original artwork, handpicked by Le Kinh Tai.
