CHOOSES YOU

THE PERFUME THAT
CHOOSES YOU

Inside each of us lies an inner world filled with desires, mysteries, and transformations.

Marab is not about scents that touch the skin, but about essences that touch the soul, guiding you, step by step, through the labyrinth of self-discovery.

Be ready for a journey of inner exploration, a delicate and profound transition between pleasure and revelation!

Each fragrance in this collection represents a step in the awareness of your inner path, one that begins with desire, continues with the need for meaning, and ultimately leads to wisdom and personal truth.

And just when you're ready to move forward in this process, the right fragrance finds its way to you, not to be chosen, but to choose you.

MARAB

YOU DON'T CHOOSE THE FRAGRANCE,
IT CHOOSES YOU!

It finds you in the very moment you're ready to wear it, not as a simple scent,
but as an inner message, subtly responding to your emotional state.

Sometimes, it comes as an invitation to feel freely and deeply, other times
it brings comfort or challenges you, but it always comes with meaning.

When the right Marab fragrance comes to you, it doesn't remain on the surface,
it becomes part of you.

MARAB

WITHIN THE BOX, A SECRET MESSAGE AWAITS
a sign chosen for you, to guide your soul exactly where it's meant to go.

LOST IN SHISHA

– A Journey into the Mystery of Desires

The fragrance of Lost in Shisha transports you into a world where anything seems possible.

The dense smoke of shisha and a splash of whisky envelop you like a veil, and you lose yourself in the depths of a sensational night.

It is the scent of immediate attraction, of desires that make you forget reality, but also of the question: “How much are you willing to give in to this temptation?”

It is the moment when you face the first choice, the desire that defines your path.

VANILLA OVERLOAD

– Indulgence that Becomes Addiction

Vanilla Overload envelops you with a deep, creamy sweetness that makes you feel comfortable and safe.

Vanilla is both a refuge and a trap.

As it settles on your skin, it becomes a fragrance of desire that deepens, urging you to ask for more. It is the moment when you realize that pleasure can become an obsession, but also a choice from which you no longer wish to retreat.

You wonder: “How much can you give before everything becomes irresistible?”

NECTAR OF SIN

– The Deep Search for Forbidden Pleasure

Nectar of Sin is a fragrance where spices and fruits blend into a complex aroma, and floral notes take you to a world where pleasures are heightened.

It is a chameleon scent that does not allow you to stop at a single sensation – it awakens your curiosity, challenging you to feel more.

It surrounds you in the depths of forbidden pleasure, and you wonder: “What is truly mine, and what is just an illusion?”

It is the fragrance of an endless search, a journey where you no longer know where the boundary between pleasure and loss lies.

IRIS HAZE

– Clarity that Comes from Uncertainty

Iris Haze is the fragrance of a moment when we begin to understand that truth is never simple.

Iris, with its metallic and powdery notes, brings a breeze of clarity, yet a sense of unease. It is the fragrance of a revelation that is not complete but brings you closer to the truth.

Iris Haze surrounds you in the mystery of partial knowledge, that state in which you begin to see things more clearly but still feel that there is much to learn.

It is a fragrance that shows you that sometimes clarity comes from confusion, and in uncertainty, freedom is born.

OUDFUSION

– The Final Revelation: Between Desire and Truth

Oudfusion is the fragrance of your final journey. Here, all the pieces come together. The intense oud, with its sticky and spicy notes, draws you into a deep yet challenging world.

It is the fragrance of returning to your essence, where pleasures and revelations meet and merge. Oudfusion is not just a fragrance; it is the symbol of the balance found between your desires and the truth you must face.

It is the moment when you realize that, in order to find peace, you must reconcile with everything that has brought you here.
It is the fragrance of final understanding, the discovery of a hidden truth.
